

Doing Business with Clark County Government

A Vendor's Guide

This page is provided to help acquaint potential suppliers with policies and procedures for doing business with Clark County.

The Purchasing Division

The primary objectives of the Purchasing office are as follows:

1. to provide supplies, materials, equipment, public work and services to all county departments, in a timely manner;
2. to generate broad participation and competition among potential suppliers and contractors;
3. to comply with the comprehensive state and county procurement / contracting laws which govern expenditure of public funds;
4. to ensure good quality products and services at competitive prices;
5. to ensure equal opportunity to all qualified vendors and contractors wishing to compete for County contracts.

Doing Business with the County is really very easy. Primarily, purchases are awarded as a result of competitive bids based on objective performance specifications.
