THE VOICE OF THE HILLS

Subject: La Center's Plans for the future

Dear neighbors,

As our area borders the La Center urban growth boundary, I'm sure there are many of you who are wondering what is going to happen to our once quiet, rural area. I asked this of Eric Eiseman, who is a land use planning consultant for La Center and other areas. He has agreed to answer your questions and explain the situation for us.

Along with Eric, you will meet Jeff Swanson, who is the Economic/Community Development Consultant for La Center and serves as a liaison to other organization in Clark County. Our mayor Greg Thornton, may attend as well.

I have also invited our Deputy sheriff, DuWayne Layton.

I urge you all to take the time to attend this meeting and bring your questions, invite your neighbors and take this opportunity to meet each other.

We hope to see you on Monday, April 8. We'll have some refreshments.
