East Minnehaha Neighborhood Association

We're looking for a few great volunteers to re-activate our neighborhood association. We will need 2-4 volunteers to serve on a Board and help us organize neighborhood activities.

This will require about two hours a month of your time.

If this sounds like something you would like to be a part of, we would like to hear from you!

Our goals for the next year:

- Organizing the association and creating a board/council.
- Creating a current events newsletter on a quarterly basis.
- Holding neighborhood meetings at least 3 times a year.
- Gathering information from you about topics that matter to you, and bringing in speakers to present information and answer your questions.
- Working to build community and get to know our neighbors.
- Organizing an annual picnic if there's enough interest!

Please send an email with your name and telephone number to EastMinnehaha.NA@gmail.com **We'd like to hear from you!**

Please join us for our
Neighborhood Association kick-off meeting
Tuesday, November 12, 2019
at the Minnehaha Church of Christ meeting room
3217 NE 54th Street, Vancouver from 7:00-8:30 p.m.

At our first meeting, we will meet the county's Neighborhood Program Coordinator and our Sheriff Liaison and will talk about ideas and needs for future meetings.

Did you know? Neighborhood Associations are NOT an HOA!

Neighborhood residents have formed our neighborhood association and Clark County's Neighborhood Program Coordinator works with us as a liaison for information to be shared with citizens. HOA's are established by a developer and pertains to a specific subdivision or project. Everyone in Clark County is in a neighborhood association, though many are inactive because no volunteers have stepped forward to operate them. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as annexation plans, new housing or business development, etc. **Whether you own or rent your home, all are welcome!**

Neighborhood association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office and Clark County's Print Shop. The information and views expressed are solely those of the neighborhood association and not of Clark County Government.
