Do you visit Upper Main Street to shop, dine out, or visit service providers?

Then we need you at our January 25 meeting!

The City of Vancouver is kicking off the [Upper Main Street Safety & Mobility Project](#)—a new [Complete Streets project](#) along Main Street between Fourth Plain Boulevard and the northern city limits (just south of NE 63rd Street / Minnehaha Street). They are looking at ways to improve safety and mobility for people who walk, bike, roll, take transit, use a mobility device, and drive—**and they're coming to our meeting so that they can hear from YOU.**

If you live within the West Hazel Dell Neighborhood Association (WHDNA) boundaries, you are a “member” of our neighborhood association.
No forms, no fees.

We are not an HOA. We are here to connect, share information, and work with the county to address any concerns. Our neighborhood association (NA) includes over 7,231 homes and more than 20,000 individuals.
