3) 9:15am - Public Hearing opened for community members give testimony about state-listed noxious weeds for board to consider – Jerry Kolke

9:16am – Public hearing closed – No oral or written testimony

5) Required board training – Open Public Meetings Act – Justin Collell

Training provided to Lisa Nelski, District 2, after board meeting at 9:36 am, Certificate on file

6) Items from Board – Jerry Kolke

a) Bill Zimmerman asked about holly treatments

i) Justin suggested cut stump treatments – use loppers and then immediately treat with broadleaf herbicide – follow the label – cut stump appears to work better than applying to leaves as the leaves are waxy and the chemical tends to roll off – you would need a sticker and penetrant

ii) Denielle also suggested drill and fill in the late fall
