

CLARK COUNTY

RFP #874

BENEFITS CONSULTANT

QUESTIONS and ANSWERS

UPDATED: NOVEMBER 2, 2023

	QUESTION	ANSWER
1.	Why are you going to market for a benefits broker?	The county has the responsibility to make sure we are partnering with vendors that provide substantial services at a good price as we are tasked with using public funds wisely.
2.	What is your biggest challenge?	A challenge for any benefits consultant is to effectively understand the complexity of our multiple groups and unions/guilds.
3.	What do you not want to change?	We want to make sure that we're maintaining a great relationship with our benefits consultant and receiving substantial services for the fees.
4.	What are you compensating your current benefits broker?	We are not releasing that information.
