

CLARK COUNTY

RFP #904

HYDRAULIC ENGINEERING & GEOTECHNICAL ENGINEERING EMERGENT NEED CONTRACTS

QUESTIONS and ANSWERS

UPDATED: SEPTEMBER 12, 2024

	QUESTION	ANSWER
1.	Can you tell me if the County awarded multiple contracts for the last cycle of this contract?	The County awarded two contracts per discipline area for the last cycle.
2.	Does the County anticipate a potential increase in contract utilization for this next cycle?	There is no guarantee that of any expenditure on these contracts. Individual tasks are assigned as project needs are identified
3.	Number of task orders awarded for AREA 1: Hydraulic Engineering for the last cycle?	Firms will be used on an as-needed basis to assist with projects when county staff does not have expertise or availability to do the work. The County has not utilized the Hydraulic Engineering contract for the last cycle to date.
4.	Total dollar value of awards for Hydraulic Engineering for the last cycle?	The County has not utilized the Hydraulic Engineering contract for the last cycle to date.
5.	How can we get our firm registered with the County so that we can be considered for future design projects?	Clark County (WA) contracts with the Municipal Research and Service Center (MRSC) to maintain our Consultant, Small Works and Vendor Rosters. To be eligible to participate in this Clark County public solicitation and the resulting contract your business must be registered with the MRSC Rosters. If you have questions about the registration process, contact the MRSC Rosters at 206-436-3798 or https://mrscresters.org/businesses/business-membership/
6.	Section 1A of the RFP under Scope of Project references a WSDOT Local Agency Standard Subconsultant Agreement with Clark County that is included in Attachment C. However, we don't see this agreement in Attachment C. When you get a chance, can you please provide a copy of this agreement?	The WSDOT Local Agency Standard Subconsultant Agreement can be found here: https://wsdot.wa.gov/sites/default/files/2021-10/LP_LAPS-NegotiatedHourlyRate.pdf

7.	Could you please share the firms that held this contract for each AREA for the last cycle of this contract?	The firms that hold this contract for the previous cycle from each discipline area are as follows: Geotechnical Engineering Services: <ul style="list-style-type: none">• Geotechnical Engineering Resources, Inc.• Haley & Aldrich, Inc. Hydraulic Engineering Services: <ul style="list-style-type: none">• Herrera Environmental Consultants, Inc.• Otak, Inc.
