

## Our Mission

Clark County will assist all people with developmental disabilities to achieve full, active and productive lives.

## Our vision

People with Intellectual and Developmental Disabilities (IDD) are fully participating community members. This will occur in a community where each person is recognized for their gifts and contributions, where all are seen, and differences related to race, ethnicity, gender, orientation, age, ability, history, religion and/or nationality are honored and celebrated as a strength of the community.
