Bid Inquiry Log

Last Update: March 31, 2025

Responses will be posted on the project's "Bid Inquiry Log", which will be updated twice daily, at noon and 6:00 PM. The Bid Inquiry log will display all questions and answers to the questions that have accumulated by the posting time. Questions too late to be answered as of that posting will remain unanswered. The questions and answers posted on the Bid Inquiry Log at that time will be considered part of the contract and ranked as an Addendum with respect to order of precedence under Section 1-04.2 of the Standard Specification.

Project CRP #:	PRJ0000601 (OS-80)
Title:	Heritage Farm Wetland Restoration
Engineer In Charge:	Oliver Jim

Date: March 17, 2025

Question #1: I am wondering if there will be a site walk thru, or if I can schedule one? I also see that there is a meeting on the 20th, does the heritage wetland meeting apply to this project?

Reference:

Answer: See forthcoming addendum. The meeting on the 20th is unrelated to this project.

Date: March 20, 2025

Question #2: Are CAD files available for the bidding process?

Reference:

Answer: No.

Date: March 27, 2025

Question #3: Is there a DBE goal on this project, and if so, what is it? I see all the DBE forms but can't seem to find what the goal is, if any.

Reference:

Answer: DBE requirements are outlined in Appendix B.

Date: March 31, 2025

Question #4: Are all the documents listed in Appendix B of the Contract Documents required to be submitted with the bid proposal?

Reference: Appendix B: Washington State Department of Ecology Specifications Insert

Answer: Yes. Include all documents listed in Appendix B with the Bid Proposal.

Date: March 31, 2025

Question #5: The bid procedures in the special provisions are listing WSDOT DBE forms that I don't see in this bid packet. Is there an actual percentage based DBE goal to achieve or are the DOE DBE forms simply for capturing DBE value if any is utilized?

Reference:

Answer: There is no percentage-based DBE goal to achieve. The DOE DBE forms are for capturing DBE value if it is utilized.
