

CLARK COUNTY

RFP #917

BRIDGE DESIGN and PERMITTING – LEWISVILLE PARK

QUESTIONS and ANSWERS

UPDATED: APRIL 8, 2025

	QUESTION	ANSWER
1.	When is this project expected to go to bid for contractors and what is the expected start date for construction?	This project is not expected to go to bid until 2026 or later. At this time, there is not an estimated start date for construction.
2.	Will a temporary bridge be required at either location to maintain public access during construction?	Consultants may propose a temporary bridge crossing to maintain public access during construction, but the County will not make a final decision until the design stage of the project.
3.
