This sample ballot contains all candidates who have filed for office and will appear in the Primary on September 19th. You will **not** be entitled to vote on all races that appear on this ballot. When you go to the polls only the Legislative, County Commissioner and other local contests that apply to your precinct will be listed.

Also, state law requires that candidate's names be rotated on the official ballot so that each name appears in the top position an equal number of times. Candidates are listed on the sample and absentee ballots in an order determined by lot. When you go to the polls on election day the candidate's names may not be listed on the official ballot in the same order that you find them in this sample ballot.

You are entitled to mark and take this ballot to the polls with you.
