## **NOTE TO VOTERS**

This sample ballot contains all candidates who have filed for office and will appear in the Primary and Special Election on September 19th. You will **not** be entitled to vote on all races and issues that appear on this ballot. When you vote only the legislative district candidates, county commissioner candidates, precinct committee officer candidates and local measures that apply to your precinct will be listed on your ballot.

The ballot drop locations are open from 7:00 AM to 8:00 PM. election day.

**MAKE SURE YOUR VOTE COUNTS.**

Before you begin voting, please take the time to read through all of the voting instructions printed on the ballot you receive and the instructions printed on the other materials included in your ballot packet. The voting instructions for this election are unique and by understanding them thoroughly you will make sure your vote counts.

## **YOUR FIRST AND MOST IMPORTANT CHOICE!**

The first voting choice below lists two major political parties. By marking one of the choices you are choosing to affiliate with that party for this election only. You will be eligible to vote for only candidates of that major political party, plus any nonpartisan offices and local measures listed at the end of your ballot. When you select a major political party no record will be made of that choice.

If you wish to vote for only nonpartisan candidates and/or local ballot measures, do not select a political party and go to the end of your ballot and vote your choices.
