MAKE SURE YOUR VOTE COUNTS.

Before you begin voting, please take the time to read through all of the voting instructions printed on the ballot you receive and the instructions printed on the other materials included in your ballot packet. By understanding the voting instructions thoroughly you will make sure your vote counts.

Voting Instructions:

- 1) Your ballot must be voted in secret and shown to no one.
- 2) Use a black or blue ink pen to mark your ballot by completely filling in the box to the left of your choice(s).
- 3) Vote for only one choice for each office or ballot measure. Unless specifically allowed by law, more than one vote for an office or ballot measure will be an overvote and no votes for that office or ballot measure will be counted.
- 4) To vote for a person not appearing on the ballot, completely fill in the box to the left of the "Write-in" choice and use the line provided for their name. Write-in votes cast for Precinct Committee Officer should include the candidate's political party.
- 5) If you make a mistake when voting, completely cross out the name of the candidate or choice you do not want. You then have the option of making another choice.
