Welcome to Your Neighborhood Association!
Meeting Wednesday, October 16 at 6:30 p.m.
Public Works Ops Center, 4700 NE 78th St.
And on ZOOM, too—See other side for more info!

For our next meeting, we are excited to welcome Vancouver Fire Marshall/Clark County Fire District #5. Learn what you can do to keep your family and neighborhood safe! Great informative presentation!

Orchards Highland Park needs help! Sunnyside Neighborhood Association has been regularly cleaning the Orchards Highland park once a month, from March to October, for the past several years. Our volunteers have been primarily elderly retired citizens. Unfortunately, we have lost several lately, due to unforeseen problems and health issues.

Clark County Parks and Trails maintenance does not include regular clean-up of trash. We are now seeking new volunteers, especially those who live near the park. Because Orchards Highland Park is a neighborhood park, not a larger community park, it does not have restrooms.

We propose to change the schedule for our cleanings to a Saturday instead of a weekday to allow more people to participate.

I would like to give a shout-out to the many park users who have been picking up trash in the park outside of the association's scheduled cleaning. We appreciate your community spirit.

If you would like to help keep your neighborhood park clean, please send me a message to sunnysidenava@yahoo.com. We will then schedule a park meetup so we can proceed with a short orientation. We already have one new volunteer!

If you would like to join the Clark Neighbors Food Project to put food on the table of those who need assistance, please email Judy at sunnysidenava@yahoo.com. You can find more about this here: <https://clarkfoodproject.org/> You would be among the 2000 participants in Clark County! It is a great way to volunteer!

To get on our email list to received announcements and messages from Sunnyside NA, please email me at sunnysidenava@yahoo.com and request to be put on the list.
