on the county's Comprehensive Plan.

La Center is planning a shared use pathway between NW 14th
Ave. and Pacific Hwy and La Center and we'll have
handouts available with information from the open
house that was held recently by the city.

It's time for another meeting with our Neighborhood Association. We are planning to gather at the La Center Community Center at 1000 E. Fourth St. at 6 pm on December 11th, 2024. Refreshments will be served.

The county is required to update its Comprehensive Plan which regulates how and where growth can occur in the next decade and beyond. The plan affects every one of us in some form, if you are a land owner or a renter. It literally tells you who can live or work next door to you. We all want some predictability about this and we have a say in changes that might affect you. The way to have some influence is to learn all you can about the process and act early and often so that you won't have any unpleasant surprises when it's too late to make a difference.

It is also time to elect new officers. Our President, Michael Benson, is moving out of the neighborhood, so we need to find another leader. It's not a tough job. Just be willing to conduct an annual meeting, unless we have a neighborhood crisis that we need to address. We elect a president, vice president and secretary. No treasurer needed, there are no dues or payments to be made. We are a 501-C3 corporation.

Please think of who to nominate or volunteer.

Val Alexander, Secretary, East Fork Hills Rural Association
