RESOLUTION NO. 6994
FOUR-YEAR REPLACEMENT SAFETY, SECURITY &
TECHNOLOGY CAPITAL LEVY

WHEREAS, the educational facilities of Evergreen School District No. 114, Clark County, Washington, (the "District"), including its technology and security projects, are in need of modernization, repair, improvements and expansion to meet the current and future educational needs for its students (the "Projects"); and

WHEREAS, funds available to the District will be insufficient to enable the District to implement such Projects; and

WHEREAS, in order to support the cost of the Projects as found necessary by the Board of Directors, it is deemed advisable that the District levy an excess tax upon all the taxable property within the District, such levy to be made for four years commencing in 2025 for collection in the school years from 2025-26 through 2029-2030, inclusive, as authorized by Article VII, Section 2 of the State Constitution and RCW 84.52.053; and

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of Evergreen School District No. 114, Clark County, Washington, as follows:

1. **Declaration of Need.** It is hereby found and declared that the welfare of the students and other residents of the District require the District to carry out the Projects hereinafter provided.
2. **Authorization of Projects.** The District shall modernize its educational and operational technology and security systems through updated technology, software, and digital learning tools for classrooms in all schools, and shall make other capital expenditures as found necessary by the Board of Directors. Such costs shall also include, but are not limited to, the ongoing fees for online applications, subscriptions, or software licenses, including upgrades and incidental services, and ongoing training related to the installation and integration of these products and services, all as deemed necessary and advisable by the Board and permitted by law. Security projects to be undertaken include the purchase and installation of additional security cameras and upgrades, emergency response systems, cyber security, access controls and other related safety materials and equipment. The District may repay any obligations hereafter incurred for the foregoing purposes.

If the District shall determine that it has become impracticable to accomplish any of such improvements or portions thereof by reason of changed conditions or needs, incompatible development, or costs substantially in excess of those estimated, the District shall not be required to accomplish such improvement and may apply levy proceeds as set forth in this section. If any or all of the improvements have been completed, or their completion duly provided for, or their completion found to be impractical, the District may apply the levy

proceeds or any portion thereof to other portions of the improvements or to other capital purposes of the District, as the Board of Directors of the District in its discretion shall determine to be necessary. Notwithstanding any provision of this resolution to the contrary, levy proceeds may only be used to support the construction, modernization or remodeling of school facilities or implementation of the District's technology facilities plan.

3. **Authorization of Levies.** In order to provide funds for the projects as described in Section 2 above, the following taxes for the District's Capital Projects Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied for the District without a vote of the electors.

2027	2028	\$0.37	\$12,750,000
2028	2029	\$0.36	\$13,005,000

*Estimated levy rate per \$1,000 of assessed valuation (based on 100% of true and fair value)

The exact levy rate and the actual amounts to be collected shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy and the legal limit on the levy rate and levy amount applicable at the time of the levy.

4. **Declaration of Emergency; Election.** It is hereby found and declared that an emergency exists requiring the submission of the proposition of whether or not such excess taxes should be levied for ratification or rejection by the qualified electors of the District, at a special election to be held on February 11, 2025.
